

FIRST ANNOUNCEMENT

XIII EVPMC 2023

European Vertebrate Pest Management Conference
28th August - 1st September 2023
Florence, Italy

Dear Friends and Colleagues,

We invite you to join the 13th EVPMC 2023 meeting in Florence, Novoli Campus, on 28th August - 1st September, 2023.

The meeting will focus on the newest and most exciting topics covering a wide range of disciplines and taxa, including symposia on Conservation; Crop Systems; Ecology, Physiology and behaviour; Fertility control; Human-animal social conflict; Invasive vertebrates; Island conservation; New tools and methods; Pathogens and parasites; Taxonomy and genetics.

The international community of experts in vertebrate management and conservation will share their experience and expertise, the latest advances, renew friendships and increase worldwide collaboration.

We send our warm greetings and hope to make the EVPMC 2023 in Florence a memorable experience for you!

Marco Zaccaroni
on behalf of the local organizing committee

ABOUT FLORENCE

Florence, one of the most beautiful and visited art cities in the world, is an open-air museum, placed in the UNESCO's World Heritage List since 1982.

In the fifteenth-century, Florence – a self-governed, independent city-state with a population of 60.000 – became the cradle of Renaissance culture thanks to its writers, painters, architects and philosophers.

Nowadays, Florentine museums, palaces and churches represent some of the greatest artistic treasures in the world.

With such relevant philosophical and scientific inheritance, with its beautiful Mediterranean climate, good and healthy food and great shopping, Florence is the ideal place to host EVPMC 2023.

We look forward to meeting you in this unique place, ranked by Forbes as one of the most beautiful cities in the world!

TOPICS

- ➔ INVASIVE VERTEBRATES
- ➔ CROP SYSTEMS
- ➔ ISLAND CONSERVATION
- ➔ ECOLOGY, PHYSIOLOGY AND BEHAVIOR
- ➔ TAXONOMY AND GENETICS
- ➔ RODENTICIDE RESISTANCE
- ➔ NEW TOOLS AND METHODS
- ➔ ZOOBOTIC PATHOGENS AND PARASITES
- ➔ HUMAN-ANIMAL SOCIAL CONFLICT
- ➔ FREE TOPICS

ABSTRACT SUBMISSION

The Scientific Committee invites you to participate actively in EVPMC 2023!

It will be an extraordinary occasion to exchange thoughts and experiences in vertebrate pest management.

We look forward to receiving abstracts for consideration and inclusion in the programme as poster presentations or oral presentations that will be included in a workshop session.

Call for abstracts will be open from 1st January to 1st March, 2023.

For abstract inclusion in the programme as poster or oral presentation a full registration will be required. "One day registration" will not allow the inclusion of the abstract in the final programme.

REGISTRATION

Registration portal will be
on line
from **1st JANUARY, 2023**

EARLY REGISTRATION until 31 st March, 2023	REGULAR REGISTRATION until 1 st July, 2023	LATE REGISTRATION from 2 nd July, 2023
DELEGATE € 350,00	DELEGATE € 450,00	DELEGATE € 500,00
STUDENT / PhD STUDENT € 200,00	STUDENT / PhD STUDENT € 250,00	STUDENT / PhD STUDENT € 300,00
ONE DAY (Delegate and Student) € 190,00	ONE DAY (Delegate and Student) € 210,00	ONE DAY (Delegate and Student) € 250,00
